One page abstracts of the oral and poster contributions are requested for inclusion in the Book of Abstracts of the Symposium that will be held in Naples on June 25-28th 2013. Using these instructions will help to produce a homogeneous layout of the proceedings. This text is an example of format to be used in your paper.

In order to publish the contribution before the seminar, your paper should reach the Organizing Committee BEFORE APRIL 15th 2013.

Please send the file via e-mail (psesympoiumnaples@gmail.com) to the Secretary of the Symposium Raffaele Troiano.

The abstracts must be written in English and the standard font should be Times New Roman size 12 pt except for the title (16pt) and references (10pt). The name of the author presenting the contribution must be underlined. A standard length of one page is recommended. Figures and Tables must be included in the text and should be submitted in a word.doc format.

The page size is A4 and the following margins will be used: left 2.5 cm; right 2.5 cm; top page 2.5 cm; bottom 2.5 cm. Text should be typed using single space and right justified and no page number must be used..

References must be noted as number in square brackets and continuously numbered in the text in the order in which they are cited. At the end of the abstract the reference list should be given in the style given below.

- [1] Altona, C. (1996) Classification of nucleic acid junctions. *J.Mol.Biol.* 263: 568-581.
- [2] Draper N.R. & Smith H. (1981) *Applied regression analysis*, II ed., J. Wiley & Sons, NY.
